Career Objective

Motivated Computer Science student with hands-on experience in frontend developer and project management. Adept at building react-based applications and solving real-world problems through efficient coding practices.

Education

Rajiv Gandhi Proudhyogiki Vishwavidyalaya **2021 – 2025**
Bachelor of Technology in Computer Science , CGPA – 7.49 *Indore, M.P.*

Kalpna Higher Secondary School **2020 – 2021**
Higher Secondary Certificate , Percentage – 87 *Tikamgarh, M.P.*

Kalpna Higher Secondary School **2018 – 2019**
High School Certificate , Percentage – 83 *Tikamgarh, M.P.*

Internship

CrystalTech Services Private Limited Indore **July 2025 – Oct 2025**
Frontend Developer Intern *Virtual*

- Worked as an intern, focusing on building React-based mini projects to strengthen programming fundamentals.
- Built mini-projects using HTML, CSS, JS, React: Spotify clone, cdnjs clone, Aquila-ui
- Applied React concepts and DOM, HTML, CSS, JS
- Strengthened JavaScript & React fundamentals through practical implementation

Projects

Aquila-UI | React, Tailwind CSS **August 2025**

- Translated Figma design prototypes into a responsive React-based UI.
- Build reusable and scalable components using Tailwind CSS for faster development.
- Ensured pixel-perfect design and cross device responsiveness following clean code practices.

Spotify Clone | HTML, CSS, JavaScript **January 2025**

- Developed a Spotify Clone using HTML, CSS, JavaScript with custom login / signup pages.
- Implemented an interactive music player supporting play, pause, stop and toggle functionality using the HTML Audio API.
- Designed a responsive UI resembling Spotify for seamless user experience across devices.

CDNJS Clone | HTML, CSS **October 2024**

- Recreated the cdnjs.com homepage using HTML and CSS, focusing on clean layout and semantic structure.
- Designed a responsive and visually consistent UI, ensuring compatibility across screen sizes.
- Applied modern CSS techniques (flexbox, grid, and custom styling) to replicate real-world website design).

Certifications

Training taken at Universal Informatics, Indore for CORE JAVA.

Training taken at CrystalTech Services Private limited, Indore for Frontend developer.

Technical Skills

Operating Systems: Windows
Frameworks: React, Tailwind CSS
Other Technologies: Core Java, React Js
UI Technologies: HTML, CSS, JavaScript
IDE: Eclipse, VS Code

Strength

- Hardworking, Honest & Punctual, Time Management, Quick Learner
